

# VC-interview support to the Dutch Immigration and Naturalisation Service (IND)

The interview is conducted to assess your identity and/or your family ties.

All as part of your family reunification application

1

Your family member in the Netherlands receives the video interview appointment from IND and informs you.

2

At the IOM office, you have a video interview with IND.

3

After the interview, IOM has no further role.

4

IND informs you of the decision via a letter to your family member in the Netherlands.

## Questions about

### ... calling IOM to make an appointment?

☞ IOM does not make any appointments, your family members in the Netherlands are informed about the appointment by IND

### ... bringing someone with you to the interview location?

☞ If you come to the appointment with anyone who is not on the interview list, they will have to wait outside of the IOM office (except for legal guardians).

### ... your family reunification application?

☞ IOM is not involved in family reunification applications and only facilitates interviews as requested by IND. For any questions about the application, your family member in the Netherlands can contact the IND case worker.
