

# What happens

# when you turn 18?

International Organization for Migration (IOM)  
The UN Migration Agency

## You don't want, or can't stay in the Netherlands

Talk to IOM about your next step in life; we will listen to your story. Together we will explore your plans for the future.

## What should I do when I want to go home?

We can help you with travel documents and a ticket for your flight.

## You are not 19 yet

If you have decided that you want to go home, we can assist you.

You will receive a cash amount, plus after your return IOM will invest an amount of max € 2800.

You can use the money for school, a drivers license, starting your own business or to invest in the business of a relative or friend.

IOM's support is free of charge. We will never ask you to pay for our services.

## Give us a call if you would like to talk to us.
