

Introduction on the orientation day
for migrant ambassadors Protect Project

Arq Psychotrauma Expert Group

Arq Psychotrauma Expert Group consists of several expert organisations, all specialists in their own field, which have organised themselves around the issue of psychological trauma

These organisations are:

- Foundation Centrum '45
- Equator Foundation
- Psychotrauma Diagnosis Centre (PDC)
- War Trauma Foundation (WTF)
- Impact
- Dutch Institute for Psychotrauma (IVP)

Arq is...

The national institute for specialist diagnostics and the treatment of people with complex psychotrauma complaints due to persecution, war or repeated job-related violence

Patients profiles

- Victims from the Second World War and post-war generation
- Trauma from carrying out a job (police, railway and ambulance personnel)
- Veterans
- Refugees and their families

What we stand for:

- Multidisciplinary expertise centre in field of psychotrauma
- Re-gaining safety and trust (contact with fellow sufferers)
- Working through trauma and coping with its consequences
- Clinical and outpatient treatment

How we work:

- Patient centered care
- Multidisciplinary, evidence-based treatment
- Care chain optimally organized
(national healthcare lines per target group)
- Extensive treatment portfolio due to many forms of cooperation
